

Bushey Inter-Faith Forum presents

A controversial debate as part of Hertsmere Interfaith Week:

This house believes...

"Faith Schools Promote Religious Intolerance"

on Saturday November 21st

at 8pm

at Bushey and District United Synagogue

**177-189 Sparrows Herne,
Bushey Heath
WD23 1AJ**

*Are faith schools encouraging children to explore their religious identity?
or are they reinforcing existing divisions in our culture?*

You are invited to attend this debate at Bushey and District United Synagogue, where you will have the chance to listen to prepared arguments by speakers from different faiths; participate yourself in the discussion, and enjoy some light refreshments. A vote will be taken at the conclusion of the debate to decide the winning argument. So come along, and have your say!
