

JWW Campaign

Jewish Women's Week

2-9 MAY 2010

"KEEPING CHILDREN SAFE"

Last year's JWW campaign, "Knock Knock", raised over £254,000, including over £24,000 in Gift Aid, which was another successful campaign ensuring WIZO was able to continue its vital social welfare work. **You helped us to raise £10,775 of this amount locally, plus £1,705 in Gift Aid. Thank you.**

This year, please "Keep Children Safe" and enable us, through education, to provide them with protection, therapy and rehabilitation.

WIZO cares for over 12,000 at-risk children each year through a hotline for the prevention of domestic violence & children at risk, centres for the prevention & treatment of violence in the family, nursery schools with family therapy programmes and guided playgroups for children and parents together.

WIZO is aware of the tough times and the economic crisis is having a knock-on effect with our fundraising. Without your continued support WIZO may not be able to provide for the thousands of vulnerable children who so desperately need our help.

A WIZO centre can be found at the heart of every community in Israel. By supporting our campaign you are connecting with Israel. **Please donate as generously as you can today** and make your Collector aware that if you are a UK taxpayer we can claim the Gift Aid contribution of an extra 28p for every £1 donated.

Please help us to keep the children safe.

Yours sincerely,

Melissa Redbart
