

Borehamwood & District Jewish Communities Network

We meet at Borehamwood & Elstree Synagogue, Croxdale Road, Borehamwood, WD6 4QF.

As a means of helping members of nearby Jewish communities, we have set up a Business Networking group to run at Borehamwood and Elstree Synagogue which will be open to members of local communities. You may have something to offer others, whether you work:

- in the local area, or commute elsewhere
- run a business or work in a business or other organisation
- in an organisation which is small or large
- work in a role which does not require you to sell

For those of you who do not currently attend networking events, consider attending this one – networking is a proven way of building relationships which build business.

The evening is fairly informal – refreshments from 8:00pm with an opportunity to chat to others, brief introduction at 8:30pm, followed by a 60 second introduction from each person and further time to network with others, until 10:00pm.

The meetings take place every 4-5 weeks, subject to holidays / room bookings. We meet from 8:00pm for 8:30pm prompt start at Borehamwood & Elstree Synagogue, Croxdale Road, WD6 4QF.

We ask for a donation of £2 per person for refreshments, security and a little advertising and RSVP is essential, not least for security purposes.

Please contact Sue Cohen if you have any questions and to book in on 07971 400653 or sue@suecohen.co.uk or see our Group and event on LinkedIn.

Next meetings: Thursdays 13th May, 17th June, 15th July

Businesses don't do business with businesses – people do business with people.
