### I Have Never Forgotten You: The Life & Legacy of Simon Wiesenthal

This film is a comprehensive look at the life and legacy of Simon Wiesenthal, the famed Nazi hunter and humanitarian. Narrated by Academy Award winning actress Nicole Kidman, it features interviews with Wiesenthal associates, government leaders from around the world, friends and family members--many of whom have never discussed the legendary Nazi hunter and humanitarian on camera. What was the driving force behind his work? What kept him going when for years the odds were against his efforts? What is his legacy today, more than 60 years after the end of World War Two?

### Sophie Scholl - The Final Days (2005)

The Final Days is the true story of Germany's most famous anti-Nazi heroine brought to life. Sophie Scholl is the fearless activist of the underground student resistance group, The White Rose. Using historical records of her incarceration, the film re-creates the last six days of Sophie Scholl's life: a journey from arrest to interrogation, trial and sentence in 1943 Munich. Unwavering in her convictions and loyalty to her comrades, her cross-examination by the Gestapo quickly escalates into a searing test of wills as Scholl delivers a passionate call to freedom and personal responsibility that is both haunting and timeless
