

The Borehamwood and Elstree community is excited and honoured to host one of the UK's most influential Rabbinic leaders, the venerable Dayan Yonason Abraham of the London Beth Din, as our Scholar-in-Residence for Shabbat Parshat Beshalach.

The Dayan, who is also Rav of the New Hendon Beit Medrash Synagogue, is one of the most sought-after speakers on the international circuit and will be addressing our Kehilla numerous times over the course of Shabbat, discussing matters of law, Jewish ethics and philosophy.
