Hope you're all getting back into the swing of things at school, we've had some really great clubs over these couple of weeks, years 5-8 had Sushi making evenings, some looked completely professional whilst others may have looked like the aftermath of a stomach upset... 5. A man walks into a bar and asks for a glass of water. The bartender pulls out a shotgun and points it at him. The man says, thank you and leaves. Why?
6. A man is lying dead with a backpack on, face down in the desert. What happened?
